## Description

---

**\*\*Kumbra 43\*\***, a new motor yacht for 2026 that promises an exhilarating experience on the water. With an impressive overall length of 11.99 meters, this yacht boasts a sleek fiberglass hull designed for both performance and durability. Powered by two robust MERCURY engines, each delivering 400 kW, it achieves a cruising speed of 27 knots and a remarkable maximum hull speed of 38 knots, ensuring thrilling adventures at sea. The Kumbra 43 is equipped with modern features that enhance its functionality, including advanced battery systems. Its design emphasizes both comfort and performance, making it an ideal choice for those seeking a luxurious yet powerful vessel. Whether you're cruising along the coast or exploring new waters, the Kumbra 43 is poised to deliver an unforgettable maritime experience.
