wally Wallywhy 100

## Description

---

The **\*\*WallyWhy 100\*\*** is a sleek sub-70 ft yacht combining bold design and generous volume. A single flush deck creates a seamless indoor-outdoor living space, with dining for six, a bar, loungers, and a galley that can shift atmospheres by opening sides or rear doors. Inside: a full-beam owner's suite amidships (with privacy glass in the ensuite), plus a VIP and a twin cabin (unusually spacious for this size). Outside: a huge 14 m<sup>2</sup> beach-club terrace with fold-down wings, hydraulic swim platform/passarelle, and a drop-down aft platform for easy water access and launching toys. Powered by twin Volvo Penta IPS1350 engines, it reaches up to 27 knots ( $\approx$  24-kn cruise), blending performance with comfort and elegant style.
