

Description

With its generous interior volumes, the Bavaria Sport 38 is probably the most habitable star of its class.

Habitability is the highlight of this German star. The solid hull and the large freeboard result in impressive interior volumes at all levels of the accommodation.

The mid-cabin is surprising on this point, but the front cabin is also spacious. The same applies to the bathroom and the L-shaped kitchen, located opposite the square. In the cockpit, as well as on the deck, traffic is easy. The outer square, which extends a meridian towards the front, is independent of the rear solarium placed on the annex garage. With two 330 hp diesel.

The Bavaria 38 is so nice on a cruise.
