## Description

---

The Bavaria Vida is an express cruiser-style powerboat designed by the Vida Yachts shipyard. This model combines elegant design, dynamic performance and comfortable accommodations to deliver a pleasurable and luxurious cruising experience.

Engines :

The Vida is equipped with outboard engines, offering a range of power ratings to suit individual performance preferences. Engine options may vary, but diesel engines are often preferred for their fuel efficiency and longevity.

Interior design and comfort:

With an innovative and clever layout, the Vida offers well-appointed and comfortable interior spaces.

Cabins: There is usually a master cabin with a double bed and lounge area, and a guest cabin with twin beds that can often be converted into a double bed.

Saloon: The saloon is often equipped with comfortable seating, a dining table and a functional galley with fridge, sink and hob.

Bathrooms: A full bathroom with shower, toilet and sink.

Exterior Features :

Cockpit: The cockpit is designed to provide an open-air entertainment area, with cushioned seating, a table and often a well-equipped helm station for the captain.

Swim platform: Located at the stern of the boat, the swim platform offers easy access to the water for swimming and other water activities.

Hydraulic version available!
