Description

Lagoon 570 Switch 2001 fully refitted and optimized for offshore cruising and long-distance sailing. Featuring a 5-cabin layout with crew quarters, this catamaran offers exceptional space and premium onboard comfort.

Prepared for a world tour and optimized for MOCRA and Multi 2000 racing classes, the boat has undergone a major refit between 2023 and 2026 including new sails, new rigging, full Raymarine navigation system, Starlink, 2000W solar panels, new battery bank, fully serviced engines and saildrives, and a high-capacity watermaker.

With 5000 nautical miles range, excellent performance and top-level equipment, this is a rare opportunity for a ready-to-sail offshore cruising catamaran.
