

SALE PRE OWNED

princess V40

65 000 € ALL TAX INCLUDED

Description

We offer for sale the 1997 Princess V40, a sporty model from the prestigious Princess Yachts shipyard, appreciated for its balance between performance, comfort and build quality. A boat with timeless lines, still very current today in the open segment of this category. The boat is in fair overall condition and is a good basis for targeted upgrades. The refitting has not yet been started, but a preliminary assessment of the necessary interventions has already been carried out: the works mainly concern the painting of the bulwarks and deck, with the aim of restoring the external aesthetics in the best possible way. No major structural interventions are reported, making the project manageable and plannable with relative simplicity.

The interiors maintain the classic layout of the model, with a master cabin in the bow and guest cabin, as well as well-distributed and livable spaces. The large and functional external cockpit is ideal for life on board and for conviviality while sailing or at anchor

It is a boat suitable for those who want to customize without facing an invasive refitting, intervening above all on aesthetics and external finishes. An interesting solution for those looking for a good compromise between initial investment and the possibility of tuning according to their standards.

Navigation equipment:

Rudder angle indicator, Tachometer.

Staging and technical:

Engine Alarm, Bilge Alarm, Water pressure pump, Shore power cable, Courtesy Lights, Gangway, Shorepower connector, Electric Windlass.
