mochi craft Dolphin 74

2 200 000 € ALL TAX INCLUDED

Description

Introducing the Mochi Craft Dolphin 74, a refined blend of traditional Italian craftsmanship, elegant lines and a timeless lobster-style design. Delivered in 2006 by the Ferretti Group, this yacht offers understated luxury and smooth cruising performance. Meticulously maintained under the care of her captain and always privately used, she presents in very good condition, with a reassuring ownership history. She is one of the finest examples of the Mochi Craft Dolphin 74 currently on the market, having benefited from a comprehensive 4-year upgrade programme bringing her to an exceptional standard, further enhancing her overall reliability and appeal.

Her recently repainted deep blue hull immediately catches the eye, while her exterior spaces are thoughtfully designed for both relaxation and entertaining. The flybridge features an upper helm station, along with a pleasant al fresco dining area, perfect for enjoying life at sea. The interior has been fully refreshed based on a design project by award-winning designer Laura Pomponi, creating a refined yet warm and inviting atmosphere throughout, enhanced by elegant classic wood finishes and timeless Italian-inspired design. Benefiting from generous volumes and a well-optimized layout, she accommodates guests in a full-beam owner's cabin, a VIP double cabin and a twin guest cabin and an additional office cabin. Twin MTU 12V 2000 engines provide powerful yet smooth navigation, ensuring enjoyable cruising whether for short getaways or extended stays on board. Presented in excellent condition, this Mochi Craft Dolphin 74 is ready to cruise
