Description

This 1995 Mangusta 92 is still in the hands of its first owner. A true sports open, with large outdoor spaces, large sundecks and a cockpit perfect for experiencing the sea and entertaining guests. Inside, however, it offers comfort and volumes of a real motoryacht. The saloon, lowered compared to the cockpit, recalls solutions that would also be seen years later on the Mangusta 130.

On board there are 4 cabins with private bathroom and bidet, as well as a separate crew area with a large kitchen, ideal for ensuring privacy and discreet service.

The engine room is impressive, much more similar to that of a higher category yacht. Respectable performance: 30 knots maximum, 25 cruising and excellent navigation even at lower speeds thanks to the latest generation interceptors.

A boat that is now ready, well maintained and offered at a value that until a few years ago would have been unthinkable.

Electronic engine control, Tachometer, Chain counter, Hours Counter, DSC vhf, Depth Sounder (RAYMARINE 14"), Autopilot (RAYMARINE), Plotter with GPS antenna (RAYMARINE 14"), Co-pilot seat.
