Description

The perfect balance between sportiness, comfort and American build quality: the Boston Whaler 345 Conquest is a boat designed for those who want to experience the sea without compromise. Sleek lines, solid hull and brilliant performance combine with surprising spaces and versatility ideal for both family cruising and offshore fishing trips. Significant length, large cockpit and extremely functional deck make this boat a true "offshore luxury". The cabin offers well-kept and bright rooms with a convertible dinette, full kitchen, separate bathroom and comfortable beds, ensuring comfort even during extended stays on board. From a technical point of view, the 345 Conquest stands out for the famous "Unsinkable" construction by Boston Whaler, synonymous with safety, robustness and reliability in all sea conditions. Navigation is smooth, stable and dry even in rough seas, thanks to a hull designed to tackle long distances in total safety. A boat with timeless charm, built for demanding owners looking for build quality, comfort and performance in a single solution. The Boston Whaler 345 Conquest is still one of the most popular models in the American premium segment today.
