

SALE PRE OWNED

**boston whaler Outrage 25**

**135 000 € ALL TAX INCLUDED**

## Description

---

The Boston Whaler 25 Outrage is considered the best hull produced as well as the flagship model of the famous American shipyard before its entry into the Brunswick group.

The main characteristics of the hull, in addition to the renowned unsinkability, are the considerable width and the design of the deep V hull (20°) capable of guaranteeing comfort and performance even in adverse weather and sea conditions.

Another distinctive feature is the shape of the cockpit which offers a good volume and a practical layout of usable spaces with a large sunbathing area in the bow.

Stylistically, this model features a low freeboard with a teak-covered gunwale.

The boat in question, launched in 1990, is presented as new as it has been totally rebuilt starting from the original project and making improvements.

Countless works have been carried out including:

- console modifications for new navigation instrumentation
- new Siam teak stern band chief
- Deck hardware polishing
- New anchor winch
- new bilge pumps
- new water tank (100 lt)
- transom opening to facilitate entry into the cockpit
- new electrical system
- new spray gelcoat hull, deck, cockpit
