Description

CAPELLI TEMPEST 775 - 2022

New condition - Very nice sporty and elegant configuration.

A boat with a strong Mediterranean spirit which has beautiful, friendly, comfortable and well-designed spaces, with high quality finishes. Overall, the Capelli Tempest 775 is made to provide a versatile and enjoyable sailing experience, suitable for recreational and professional use, with an emphasis on performance, comfort and reliability.

Length: 7.75 m. This size makes it suitable for various recreational activities, including cruising, diving, fishing and water sports.

Design: The Tempest 775 features a quality overall design. Its deep V hull offers stability and smooth navigation, even in rough waters. The tubes, made from the durable Hypalon material, provide buoyancy and impact resistance.

Engine: On this size of boat the Tempest is generally equipped with a 250hp outboard engine, providing sufficient power for cruising and water sports activities. Here it is configured with the most powerful engine: 300 hp, giving it breathtaking performance.

Features: This model offers a beautiful living space with a comfortable and neat sunbathing area at the front and a dining area with a folding table in the aft cockpit. The cockpit can accommodate 2 people thanks to the large and plush leaning post. Access to the bath will be facilitated by a bathing platform equipped with its ladder and a shower. This boat also has plenty of storage
