

SALE PRE OWNED

sunseeker 68 sport yachts

1 320 000 € ALL TAX INCLUDED

Description

The Sunseeker 68 Sport Yacht represents a solid and well-positioned proposition in the 20+ metre segment, combining distinctive design, build quality and excellent liveability on board. The sleek and recognisable line is a typical feature of the Sunseeker shipyard, with a sporty setting that maintains a high level of comfort and usability of the spaces.

One of the main strengths is the open layout, where the cockpit and saloon are integrated into a single continuous environment, ideal for Mediterranean use and for guest management. The outdoor spaces are well distributed, with large sunbathing areas fore and aft, a convivial cockpit and a sportbridge that adds a second helm station without compromising the elegance of the lines.

This unit has a well-thought-out configuration, with numerous carefully selected details and options. The boat has always been followed with constant maintenance and professional management.

In recent years, several interventions have been carried out that increase its reliability and value: in 2021 replacement of the TV in the salon with a new generation model and installation of a satellite antenna with a second dome; in 2022 replacement of the fresh water tank; in 2023 new Sunbrella external cushions and new batteries; in 2024 replacement of the supports and axle seals and installation of the new seawater pump of the generator.

The interior of the Sunseeker 68 Sport Yacht offers an elegant and contemporary environment, characterized by quality materials and great attention to detail. The main living room is bright and welcoming,
