## Description

---

The Sessa Marine C38 represents one of the most successful models in the Italian sports cruiser range: elegant in its lines, concrete in its management and surprisingly complete in its spaces. With approximately 11.70 meters in length and 3.75 meters in beam, this boat manages to offer the perfect balance between performance, comfort and liveability, while maintaining dimensions that are still easily manageable even for owners who want frequent use without facing the costs and complexity typical of larger units.

The planing hull guarantees smooth, safe and fun navigation, with speeds that can reach about 36 knots, always maintaining stability and comfort even during longer cruises. The Italian design by Sessa Marine stands out for its sporty lines but without excess, large side windows and an intelligent distribution of outdoor spaces, designed to experience the sea in a convivial and relaxed way.

This unit is in particularly interesting conditions for those looking for a boat that is really ready for use: already put in the water, with service performed, complete polishing and antifouling treatment already carried out. Careful management and correctly carried out maintenance today allow us to offer a tidy, well-kept boat ready to the buoy, avoiding downtime and immediate post-purchase costs.

The cockpit offers an ideal configuration for outdoor life: large convivial dinette, sundeck, direct access to the bathing platform and complete wet-bar for aperitifs and days at anchor. A perfect solution for both family weekends and coastal cruises in the Mediterranean, with a style that remains current and recognizable over time.

### INTERIOR DESCRIPTION

The interior of the Sessa Marine C38 is designed with a very clear logic: to offer the comfort and feeling of space of a superior boat while maintaining intelligent and functional proportions. The result is a refined, bright and surprisingly welcoming environment, ideal for both day trips and extended stays on board.

The large side windows transform the internal dinette into a real veranda overlooking the sea, creating visual continuity with the outside and ensuring a natural brightness rare for the category. The materials used further enhance the rooms: precious woods, satin steel inserts, careful upholstery and finishes with a contemporary taste contribute to creating an elegant but never excessive atmosphere.

The layout includes two independent double cabins. In the bow we find a spacious and well-organized owner's cabin, while in the stern the second cabin offers large volumes and excellent habitability even for adult guests. The bathroom, larger than the average of the category, guarantees practicality and comfort even during multi-day cruises.

The central dinette is designed to be truly livable: large sofa, convertible table and internal kitchen complete with hob, refrigerator, sink and numerous storage compartments. Everything is designed to make life on board easy even with small crews.

Outside, the cockpit wet-bar perfectly complements the boat's philosophy: conviviality, practicality and immediate use. An ideal configuration for

those who want an elegant sport cruiser, easy to manage and ready to experience the sea without compromise.

**Navigation equipment:**

AIS, Rudder angle indicator, Radar Antenna, Electronic engine control (VOLVO PENTA), On-Board Computer, Chain counter, chronometer, Display (Raymarine), DSC vhf (Raymarine), Depth Sounder (Raymarine), GPS (Raymarine), Joystick, Log (Raymarine), Consumption monitor, Autopilot (Raymarine), Chartplotter (Raymarine), Plotter with GPS antenna (Raymarine), Control panel, Co-pilot seat, Engine Measuring Instruments.

**Staging and technical:**

Fume/Gas Detector, Engine Alarm, Bilge Alarm, Alternator, Deck Suction of Dirty Water, Auto Dynamic Trim Interceptor, Water pressure pump, Auto-Trim, Teak Side Decks, Special Colour, Guard rail, Deck Shower, Twin Steering, Anchor mount, Electric Flaps, Hydraulic Flaps, Hard top, Anchor Chain Washdown, Washbasin in the cockpit, Courtesy Lights, Underwater lights, Battery Monitor, Fenders, Gangway (IDRAULICA), Platform, Waste Water Tank Drain Pump, Automatic Bilge Pump, Manual Bilge Pump, Teak deck, Entry door, Teak Cockpit, Shorepower connector, Water harbor connector system, Electric Windlass, swimming ladder, Waste Water Purifier System, cockpit table, Horn, Teak Deckhouse.

**Domestic Facilities onboard:**

Warm Water, BBQ/Grill, Warm Water System (Elettrico), Internet Connection, Waste Water Plant, Fuel Tank Indicator, Water Tank Meter, Waste Water Tank Meter, Engine oil pressure gauge, Engine temperature gauge, Interior wooden floor, 12V Outlets, 220V Outlets, Electric Toilet.

**Security equipment:**

Barometer, Binoculars, Smoke buoy, First aid kit, Safety equipment within 3 miles, Safety equipment within 6 miles, Safety equipment within 12 miles, Safety equipment within 50 miles, Emergency Handheld Fires, PFDs, Parachute flares with red light, Signal flares, Life buoy, Lifebuoy With Safety Rope and Light Buoy.

**Entertainment:**

Speakers, Satellite TV antenna, DTV, Radio AM/FM.

**Kitchen and appliances:**

Central Vacuum System, Galley, Deck Refrigerator, ICE Maker, Ceramic hot plate.

**Upholstery:**

Cushions, Stern Cushions, Bow Cushions, Cockpit Cushions, Blackout Curtains, Sunshade, Mosquito nets.
