## Description

---

Elan 374 Impression – 2005 – Modern design, clean lines and surprising volumes for the category.

The Elan 374 Impression represents one of the most successful models in Elan Yachts' cruiser range in the early 2000s.

A few months after its presentation, the model evolved towards slightly larger sizes (Elan 384), confirming the design goodness of the original platform and the appreciation of the market.

Why choose Elan 374 Impression

1 Balanced project. High-performance but stable hull, designed for fast cruising and handling even with a small crew.

2 Elan build quality. Solid construction, robust layering and interior finishes above the average of the 37-foot category of the period.

3 Smart interior spaces. Generous volumes, comfortable owner's cabin, well-sized bathroom, 2 double bedrooms aft and a second bathroom in the dinette, a bright and functional saloon.

4 Excellent size/management cost ratio. A 37-footer that offers the comfort of a larger boat but with: low mooring costs, more sustainable maintenance, reduced consumption

5 Stable secondary market. Model requested, easy to resell, with good value retention over time.

Why buy with Marina Yacht Sales.... Buying through Marina Yacht Sales means:

- ✓ Full Document Verification
- ✓ Assistance in negotiation and technical negotiation
- ✓ Support for expertise and sea trial
