Description

The Bavaria 40-footer has always been the workhorse of the Bavaria along with the 37-footer. The sailboat behaves well and, overall, is one of the models with the best value for money that could be found on the market in those years.

Thanks to its pot-bellied hull, large cockpit, large spaces and refined interior, the Bavaria 40 Cruiser is a safe choice among boats of its type.

The Bavaria 40 Cruiser is the ideal vehicle for a relaxing holiday.
