hi star marine 48 fishermann

195 000 € All Tax Included

Description

This Hi Star Fishermann 48 from 1990 is an owner-maintained walk-around fishing boat - a captain looked after the boat all year round.

Its advantages are undoubtedly the following:

Space: This model has a spacious deck designed primarily for fishing, with rod holders, storage areas for fishing equipment and a very high fly for easy viewing when sailing.

Ideal motorization with two perfectly maintained 375hp CUMMINS. The hull design is stable and adapted to fishing and cruising conditions.

Well equipped for on-board comfort: GPS, condeur, autopilot, hydraulic gangway, air conditioning, generator, two beautiful cabins, spacious salon, accessible hold...

Habitability: This is also one of our strong points, with excellent interior habitability and luminosity. The woodwork is beautiful and of high quality. Sleeps 8 on board.

Possibility of berth in addition to the price.

A must-see!
