## Description

---

Lagoon 40 is one of the most popular and sought-after catamarans in its category, thanks to a modern design capable of combining living comfort, ease of operation and extraordinary livability of spaces. Designed for those who want to experience the sea without compromise, this model offers large, bright environments that are perfectly integrated between inside and outside, making it ideal for both family cruises and premium charter use.

This 2019 model, configured with 4 cabins and 4 independent bathrooms, has been used for charter activities in a very limited way and always followed with particular attention in every maintenance aspect. In fact, the boat is in extremely well-kept general condition, immediately conveying the feeling of a boat maintained with great attention both from a technical and aesthetic point of view. The modern lines typical of the Lagoon shipyard, combined with the large interior volumes, allow for a higher quality of life on board than many boats in the same category. The large aft cockpit, fully integrated with the saloon through the large glass opening, creates true indoor/outdoor continuity, transforming the boat into a terrace overlooking the sea perfect for long stays on board, days at anchor and Mediterranean cruises.

The raised side wheelhouse ensures excellent visibility during manoeuvres and completely frees up the spaces dedicated to guests, while the wide and protected sidedecks make navigation simple and safe even with a small crew.

Powered by 2 Yanmar Sail Drives, this Lagoon 40 is now a modern,
