Description

CAP CAMARAT 7.5 WA Series 2 – 2016 – 1st Hand

The Cap Camarat 7.5 WA Series 2 is a popular boat model designed and manufactured by Jeanneau, a famous French boat builder. This boat is part of the Cap Camarat Walkaround (WA) series, known for its versatility and suitability for a variety of water activities including fishing, water sports and cruising. Here is a general description of the Cap Camarat 7.5 WA Series 2:

Length and size: The Cap Camarat 7.5 WA Series 2 measures approximately 7.74m in overall length and 6.96m in hull length. It falls into the mid-sized powerboat category, making it suitable for day trips and weekend outings.

Design: The Cap Camarat 7.5 WA Series 2 features a walkaround deck design, allowing easy access to the bow of the boat. This design is convenient for fishing and provides additional seating and sunbathing areas.

Cabin: This boat can have a small cabin with basic amenities, making it comfortable for short overnight trips. However, it is primarily designed for daytime activities.

Seating and Layout: The boat offers comfortable seating for passengers and crew. The helm station is well designed for the captain's comfort.

Power: The boat is offered with a 225hp YAMAHA engine, sufficient for fishing, water sports and cruising activities.

Fishing Features: This Cap Camarat 7.5 WA Series 2 has fishing-friendly features such as rod holders, a livewell, and fish boxes, making it a suitable choice for
