Description

June 2022

Engine landing for extraordinary maintenance

With full engine warranty until the end of 2025

Works 2021

Modification of the cockpit seat with folding table and construction of the bench seat bow via the aft sundeck

Installation of a new extendable table with a raise-lower system for use as a dining table or smoking table

In place of the glass dining table in the living room, a piece of furniture has been created with the same (original) essence as the internal furniture to increase storage space and move the internal fridge

Master cabin: replacement of the original glass bathroom door and creation of a bulkhead that houses the new sliding bathroom door and the larger TV that is in front of the bed and positioned inside a mirror (mirror tv)

Renovation of the dashboard panels of the sundeck helm station with new original silk-screen prints that were originally in carbon look and now in real carbon

Remake of the new name "Pershing 82 VHP" in silicone material with original Pershing font

Implementation of light points in the steps of the lower deck

New Lopolight navigation lighting system;

Laying of grey Ice-Teak (synthetic teak) with the "Pershing" logo in the garage instead of the diamond non-slip to improve grip and aesthetic impact

Overhaul of the watermaker high-pressure pump

Installation of a water softener with two-way valve for direct loading into clear water tanks or use of direct descaled water for all on-board systems with the exception of autoclaves

Installation of wind indicator and anemometer with dedicated internal Simrad tool

New leather (Frau) recessed on the floor of the entrance cabinet of the saloon

WORKS CARRIED OUT UNDER THE PERSHING SITE WARRANTY (i.e. by official companies sent by the Pershing site and with a new warranty on the works carried out)

Top System complete service scheduled for 400 hours of operation (oil change, headphones, trim sensor recordings)

Top System replacement of the gimbal of both tails

MTU engine control unit software update

MTU oil pan gasket replacement

Modification of the forced inlet air intake grilles of the engine room and installation of filters that prevent the entry of salty air

Almost complete painting of the hull and parts of the superstructure

Disassembly of the side doors to replace the potentiometers that adjust the closing limit switch of the doors

Almost complete painting of the deckhouse, aft door, cockpit and parts that had not been painted to perfection in spring 2021

Navigation equipment:

Chain counter (digitale), Radar (Simrad Open Array).

Staging and technical:

Stern Thruster (idraulica 28hp), Directional Spotlight (di ricerca doppia luce), Tender Garage, Compressor Air System (in gavone ancora),

Underwater lights, Water harbor connector system, Living Room Foldable Table (manualmente).

Domestic Facilities onboard:

Air Conditioning (super tropic 15000 BTU), 2 Warm Water System (15lt in cabina armatore + 30lt), 3 Safe (in cabina master, vip e comandante),

Watermaker (OPT 180lt/h con comando accensione in plancia), Inverter (5000W 220V-24V), 220V Outlets (Shuko), Video camera (a poppa).

Security equipment:

16 PFDs, 2 Liferaft (per un totale di 16 persone).

Entertainment:

Satellite TV antenna (Antenna KVH-TV6 SK), 3 Satellite Decoder (28 singolo per TV SAT), 2 TV (28" in cabina VIP - 43" in salone).

Upholstery:

Window Cover (laterale + parabrezza), Mosquito nets.
