Description

JOKER BOAT – CLUBMAN 26

Star Yachting offers you this Clubman 26, one of the best-selling pleasure boats in the range. The reasons for its success: its simplicity, versatility, comfortable size, huge storage space, make it unique and attractive.

With its 8 meters long and its 63 cm diameter floats, this large semi-rigid attracts all eyes. But despite its undeniable elegance, the Clubman 26 is in no way a show-off and is distinguished above all by quality construction, seaworthiness above all suspicion and a cockpit offering a good compromise between the comfort of the seats and space. on the ground.

This RIB was completely renovated in 2019. The floats, upholstery, and engine were replaced.

Must be seen quickly!
