Description

• NAUTITECH 48 OPEN – New boat to configure – On order •

The 48 OPEN is a high-end catamaran, both elegant and sophisticated. It offers incomparable sailing sensations, in particular thanks to the signature of the OPEN range: the double helm station at the rear, an ideal position for steering at sea but also for maneuvering in port. Signed by MLYDG, the 48 OPEN benefits from the latest advances in terms of performance.

The boundary between interior and exterior disappears on this model thanks to the opening of the interior square. This unique concept, revisited by designer Christophe Chedal-Anglay, creates a space that adapts to everyone.

The 44 OPEN changes the experience on board by offering a new space that is both practical and innovative: the Smart Room. It can take the form of a laundry room, a workshop... to satisfy all owners looking for long trips.

Located in Golfe-Juan, STAR YACHTING is your exclusive NAUTITECH Catamarans dealer from Menton to Les Issambres.

Our sales team is at your disposal to configure your new boat with you and support you throughout the boat purchase process (financing, registration, maintenance, etc.).

For more information, do not hesitate to visit our website to have access to the complete description of the boat.
