229 000 € All Tax Included

Description

Nimbus 305 2017 Coupe:

This elegant Scandinavian Cabin Cruiser offers a beautiful combination of comfort and performance.

The semi-planing hull of the Nimbus 303 coupé is a 220 hp with good performance in terms of speed and in terms of energy efficiency it is very economical because of its consumption and its overall annual cost.

Very well equipped, it has been constantly improved by its current owners both for the interior layout and visual aspect and for the comfort of everyday life on board:

new one-room mattress in the master's cabin, medicine cabinets, hooks, economical shower head and electric toilet as well as a large mirror on the bathroom door. Two reversible air conditioners, one in the saloon and one in the master bedroom have been installed. In the square translucent curtains and a retractable TV were placed;

A large number of technical checks were made: New batteries and chargers, cleaning of the exchanger etc.)

A gateway has been added.

Designed to sail between 15 and 16 knots, the Nimbus 305 coupé is compact but with its 6 beds it can accommodate up to 6 people for excursions at sea or cruises.
