Description

This marvel underwent a major refit in 2022, ending up in 2024. Significant investments have been made, thanks to which the boat is in excellent condition. It truly stands out from similar vessels currently on the market, precisely because of the extensive work done, both technical and cosmetic.

Engines (zero hours 2022), generator (new 2022), gearboxes (new 2024), up/down hydraulic platform (new 2022), new navigation electronics, and a completely new stereo system, newly painted.

A detailed list of works is available.

The boat is currently dry-docked and ready for inspections, and she is also ready for any sea trial following to a Formal Offer to Purchase and due technical launching time.

The photos in this listing are 100% authentic and show the boat in its current condition.

The price does not include regular agency fees, which are to be applied "on top."
