Description

2007 Riviera 58 Fly:

Equipped with a superb MTU Diesel engine of 1250 Horsepower each,

This Riviera 58 Fly is truly a luxury star in every way,

Built by the very famous Australian manufacturer Riviera. It is designed for comfortable and enjoyable cruises, offering a combination of performance, style and functionality.

Its autonomy of transport as well as its ability to knock food can take you away without missing anything,

It is a real 4x4 of the seas, nothing stops it! ! its passage at sea is almost unparalleled to date.

Ideal for big game fishing, such as family recreational fishing,

The flybridge offers excellent views and additional space for entertainment and outdoor relaxation. Possibility to sail the Fly even in winter,

The main features and specifications of the Riviera 58 Fly include:

interior: spacious and well-appointed cabins and lounges, including a master cabin, guest cabins, living room, fully equipped kitchen and several bathrooms. The interior is often designed with high-quality materials and luxurious finishes.

Performance: 21 knots in cruising speed for a 58 foot, it's really nice and 31 in V-Max are enough to get out of the situation quickly. Noble mechanical and sober
