

SALE PRE OWNED

birchwood 360

109 000 € ALL TAX INCLUDED

Description

The Birchwood 360 Challenger is one of the most popular flybridge boats produced by the British shipyard in the late 90s and early 2000s, designed to offer excellent interior volumes and family-friendly sailing qualities. Sold new in Finland, it has had only two owners. It has always been stored in a shed heated during the winter and regularly maintained. The lower deck has two spacious cabins, a bathroom and a really generous and fully equipped galley. It is powered by reliable and economical Volvo Penta KAD44 engines combined with Volvo DP290 DuoProp stern drives. GPS, radar, bow thruster.
