Description

LAGOON 42 – 2023 Recent cruising catamaran – Fully equipped – Montenegro Flag

The Lagoon 42 is one of the most sought-after catamarans on the market thanks to its perfect balance between comfort, interior volume, ease of handling and sailing performance. This 2023 owner version in 4-cabin layout benefits from an extensive equipment list and recent professional servicing carried out by an official representative.

Designed by VPLP Design, the Lagoon 42 features modern lines, a rear-positioned mast for improved sail balance and a large open cockpit seamlessly connected to the saloon. The elevated helm station provides excellent visibility while the wide aft platforms offer easy access to the water and dinghy.

This yacht is particularly well equipped for long-distance cruising and comfortable liveaboard life with air conditioning, heating, generator, watermaker, washing machine, TV, seawater pump, dinghy and gangway.

The boat currently has 1,093 engine hours and was hauled out in October for a complete professional service including:

- Engine service
- Generator service
- Watermaker service
- Saildrive maintenance
- New anodes
- New antifouling
- Full hull polish
