Description

This Predator 60 is a stunning boat.

Single owner, used exclusively for day trips and kept in impeccable condition. This Lady truly does NOT show her age; the interior looks like it was delivered yesterday, the exterior is pristine, and the engine room is worthy of a life long deal signature.

The list of work done is very long, and we'd be happy to share it in detail.

Suffice it to say that the boat is now being delivered: all systems have been serviced at a deep level, heat exchangers have just been overhauled, hull and zinc plating has been replaced, the steering system has been completely renewed, seacocks and fittings have been new.

It will be a pleasure to deliver such a summer ready vessel.

The unit is "just right."

But the model is... absolutely right!

-> How she looks like:

It's called a "60," but that's not true. It's a 20-meter open-class vessel, with a hard top that cleverly covers the whole cockpit. Which is the real highlight of this boat; it's perfect! I don't think it could have been designed any better, given its simplicity. Plenty of open deck space, a galley area, a huge dining area, and a large sundeck covering the garage. It houses a good 3.1m tender with an aluminum hull!

The aft sundeck is shaded by an electric extendable awning, with support arms in case of wind.

The bow is loooong and has an excellent sundeck.

The cushions? Like new.
