Description

There is so much to say about MY JOY D; simply because the yacht does deliver a lot.

She's not a speeder, she's a comfort leader. The volumes and the arrangements you'll find here bring the very best the size can give. The main deck boasts a 2.30 mts indoor clearance, that's never seen on the category before.

18/19 kts continuous cruise speed and a 25kts max will take you effortlessly all over the Med. Your sailing is smooth up on a flybridge simply extraordinary; one sole deck developing all the way around the social core of the unit. Dining areas, sunbathing areas, bar unit and luxurious outdoor furnitures are flowing together in one as its hard to find on a yacht this size.

The main salon then is an overwater villa itself, with windows that big it will be hard to distinguish the insideout. The enormous salon has two niches amidship, those will favour your guests' boarding in style while alongside at port. Upfront the main deck there's clearly the master apartment where, well yes, there's an electrically openable glass door that gets you out on the front deck. Not to consider the large entrance corridor the master area starts wth.

Each of the remaining 3 guests cabin, down the lower deck, could easily act as second master cabin, either for space either for refined materials.

The audio video system is the best you can have today, tvs fold down from ceilings and ipads control sound and images throughout the vessel. The tender has its own garage and the jetski can eventually stay
