overmarine Mangusta 105 open  750 000 € ALL TAX INCLUDED

Description

Splendid Italian classic. With direct shaft drives! No Arnesons, no waterjets.

The Mangusta 105, in the good old times when still was allowed to build a 32mts open yacht.

Breathless the cockpit, so cozy the mezzanine salon that makes you wanna spend there Christmas, when not the New Years Eve. 4 good guests stateroom and a truly valuable crew compartment with a professional galley.

Apart the cool features the model has, what's truly interesting in this very unit here is she's equipped with direct shaft. Quite unique, for a model that got famous for its waterjets, system that would be now definitely obsolete in technology.

Private yacht EU vat paid, KEEN SELLER.

Professional Crew onboard all year round.
