Description

The Salpa Soleil 33 has all the makings of a perfect DAYBOAT: a functional swimming area, a remarkable sunbathing area, a convivial saloon with galley and an ergonomic helmstand.

The Salpa Soleil 33 is a beautiful RIB with attractive lines and well thought-out specifications, not to mention a serious build and finish.

The exterior spaces flow harmoniously around the helm station and the cabin, providing ideal relaxation areas such as the large, easily accessible bathing platform with its handy shower, the deck saloon, which can be converted into an XXL solarium or dinette for eight thanks to its electrically controlled telescopic table that extends directly from the floor, and the spacious solarium.
