Description

The 32 Romance is one of the most emblematic models of the famous shipyard on Lake Como. This boat is characterized by its classic line that takes its cue from the motorboats of the dolce vita of the sixties. The distinctive element is mahogany which is used as a cladding for both the bulwarks and the deck. The hull and structure are instead made of fiberglass using the most advanced construction technologies. This boat is in excellent general condition as it is mainly used in fresh water.

A rare boat equipped with all the comforts for pleasant day trips, experiencing the sea with style and elegance.
