Description

With an original design and a modern soul, Grande 36M is a superyacht that synthesizes style and avant-garde attitude.

Each element contributes to the creation of a visual continuum between indoor and outdoor spaces, from the unprecedented semi-walkaround upper deck that inspires freedom of movement to the opening side windows that become a special portal to the sea. A concept designed for a lifestyle without barriers, which naturally blurs the boundaries between the pleasure of being on board and the charm of getting lost in the infinite ocean.

Unleash your soul at sea with the Grande 36M.
