## Description

---

A hymn to freedom and elegance.

The new Magellano 60 is a crossover yacht that perfectly combines its explorer soul with the privilege of pleasant and satisfying navigation thanks to the efficiency of the Dual Mode hull.

The large and bright spaces with a discreet charm ensure unparalleled comfort.

A sailing philosophy ideal for long voyages and the search for new frontiers.

Unleash your inner explorer with Magellan 60.

### LOCATIONS

The longitudinal extension of the large cockpit allows you to fully enjoy the view and admire the horizon from the "Infinity Terrace" parapet. The table can be raised, transforming the terrace into a comfortable dining area.

### INTERIORS

A large full-height window envelops the indoor dining area, in an embrace of light and breathtaking views.

The table, with its square structure, is extremely ductile: it can be adjusted in height and width, and comfortably accommodates six guests for an unforgettable convivial moment framed by the sea.

Warm, welcoming. Contemporary but at the same time suspended in time.

The owner's suite as well as the other cabins are characterized by an interior style that wants to envelop the owner and guests in an oasis of well-being. The decorative materials are chosen with care and attention
