azimut Grande 44m

PRICE UPON REQUEST

Description

Grande 44M - the flagship of Azimut's fleet - is also the highest expression of its mission: to combine technological innovation, visionary design and attention to environmental sustainability. All the time. In fact, the Grande 44M amazes with something that does not exist today: a superyacht with reduced CO2 emissions that expresses a design with fluid and decisive lines on four decks - instead of the traditional three.

And that offers a unique and unexpected on-board lifestyle for this segment. The emblem?

The Upper Deck can be transformed into a master deck with barrier-free sea view environments both aft and bow.
