## Description

---

Designed to create an unusual and extraordinary style at the same time, the Grande 26M is the company's latest masterpiece of innovation. A fluid layout distributed on several levels gives a sense of great freedom by encouraging an intimate dialogue with the surrounding sea, such as the cockpit area which, thanks to the innovative Deck 2 Deck, can be expanded to create a luxurious terrace. The ultra-functionally designed spaces provide a perfect separation between crew and guests, ensuring complete privacy and creating a sophisticated atmosphere that takes inspiration from the world of superyachts. Go unconventional with Grande 26M

### INNATE ELEGANCE

#### Deck2Deck Terrace

Grande 26M will surprise guests on board with an amazing terrace at the water's edge achieved thanks to the extension of the transom, which can be raised, thus transforming the cockpit into a versatile convivial environment. The transformable furnishings will help to accentuate its multiplicity of uses: a comfortable lounge in which to relax and have fun during the day or, thanks to the walkaround table, an "al fresco" dining room with a boundless view of the horizon.

A constant dialogue with the sea

The full-height windows give brilliance and brightness to the rooms, furnished with freestanding solutions that enhance the stylistic details, while not sacrificing large storage spaces. The living room and dining area dialogue in harmony, while being well characterized and defined by different stylistic details.
