Description

CAP MED BOAT & YACHT CONSULTING presents this 2023 Solaris 44, a rare high-end sailing yacht on the market, designed for owners seeking an elegant, fast and exceptionally well-equipped performance cruiser. With her white hull, light oak interior, Prestige Pack, teak cockpit and refined finishes, this Solaris 44 offers a remarkable balance between sailing sensations, cruising comfort and Italian build quality.

This Solaris 44 stands out thanks to her performance-oriented specification: Hall Spar carbon mast and boom, rod rigging, hydraulic backstay, rigid vang, carbon bowsprit, recessed mainsail traveller under the cockpit and carbon steering wheels. Her Incidence DFI sail inventory includes a three-reef mainsail, genoa on under-deck Selden furler, staysail on Karver furler, Code 0 on Karver furler and asymmetric spinnaker with sock. Four electric winches and two manual winches for genoa and spinnaker sheets make handling smooth and efficient. On board, comfort is carefully specified with reversible saloon air conditioning, two electric toilets, additional portholes, blinds and mosquito screens, light Corian galley worktop, additional refrigerator and Fusion audio system with saloon and cockpit speakers. Autonomy is enhanced by a 100 L/h watermaker, lithium battery bank listed at 400 A/Ah to be confirmed, Mastervolt 2000 W inverter, 220 V and USB outlets in each cabin and in the saloon, as well as a 75 hp Volvo Penta engine with dual alternator.

The complete B&G electronics package, including H5000 autopilot, chartplotters on both helm consoles and at the chart table, three mast

Description Navigation Equipment

The B&G electronics package on this Solaris 44 is particularly well suited to performance cruising and offshore sailing. The yacht is equipped with a B&G H5000 autopilot with remote control, chartplotters on each helm console and at the chart table, three mast-mounted repeaters on a carbon Hall Spar support, wind instruments with HR antenna, AIS and dual VHF units at the chart table and in the cockpit. This setup provides accurate navigation data and excellent ergonomics under sail.

Galley/laundry/entertainment

Fridge	Stove	Sink

Description Of Kitchen Equipment

The galley features a refined finish with a light Corian worktop, matching the Prestige interior package. The yacht is equipped with an additional front-opening refrigerator, providing valuable cold storage capacity for cruising. The onboard living area is complemented by a Fusion radio system with speakers in the saloon and cockpit, ideal for enjoying both the interior and time at anchor.

Sails Equipments Description

The Hall Spar carbon mast and boom, rod rigging, hydraulic backstay, rigid vang and mainsail traveller recessed under the cockpit provide a high level of precision under sail. The Incidence DFI sail inventory includes a mainsail with three reefs, a genoa on under-deck Selden furler, a staysail on Karver furler, a Code 0 on Karver furler and an asymmetric spinnaker with sock. This sail wardrobe makes the yacht highly versatile, fast and enjoyable to sail with a reduced crew.
