Description

The Rapsody 48 Offshore is a classic Dutch offshore motor yacht with strong retro styling, high-quality materials and a very homely layout for longer trips. It combines the character of traditional mahogany yachts with modern GRP technology and fast semi-planing properties.

Characteristic are:

long, shallow foredeck area

classic offshore hull with deep V-frame

wide side decks with teak flooring

Low, elegant deckhouse line

lots of mahogany and stainless steel details

Large windows for good all-round visibility

The lines look timeless and are reminiscent of American lobster boats or Scandinavian gentleman yachts.
