Description

The Atlantis series is a journey of discovery of the sportiest and most informal stretch of Azimut Yachts. The personality of the 45, designed to achieve high performance, meets a technical refinement that is a great ease of handling and navigation, perfectly balancing beauty, safety and functionality. The generous interior spaces offer a refined Made in Italy style, which in Our Bay masterfully combines sport and style. Our Bay is a boat practically like new, with very few hours of motorcycle, perfect for sea trips and cruises in the Mediterranean. Contact us for any information.
