## Description

---

Introducing this boat, we point out that it has always been followed with care and with due maintenance, sold new by our dealer and always followed by the official Ferretti Yacht Service Point.

Single owner, she has always sailed in the Central Adriatic with an average of about 60 hours per season, without ever incurring any particular breakdowns or malfunctions, the general condition of the boat is excellent, as well as the internal essences in Teka Gold are in excellent condition.

The Teak is natural in color, still maintaining a good thickness without particular cracks.

On the flying bridge, the sundeck cushions and all the seats on the aft sofa have been replaced.

In conclusion, we can say that the boat in question is in excellent conditions of use and maintenance such as to recommend visiting it on board.

The Ferretti 530 creates an innovative model in the flying bridge segment in the range between 50/60 feet for young and dynamic users and optimizes quality, comfort and performance, a result of great prestige.

The boat reflects a project strongly desired and conceived by Norberto Ferretti and born from the usual collaboration between Advanced Yacht Technology, the Ferretti Group's design center and Studio Zuccon International Project.

With its compact dimensions, 16 meters long and 4.94 meters wide, it makes it possible to experience the great luxury made in Italy and to
