---

2024 AUSTIN PARKER AP 44 IBIZA IN STOCK – 3x350 MERCURY 10 HOURS MOTORCYCLE – full optional– CARBON HULL

New boat, full options. Originally produced for the American market, it is equipped with a 110V electrical system but still convertible to 220V.

Contact us for more information on this.

Boat ready for the season.

Austin Parker 44 Ibiza 2025, a center console boat that perfectly blends performance and luxury. With a total length of 13.7 meters, this fiberglass hull is designed for planing, ensuring smooth and exciting sailing. Powered by three Mercury Verado 350 outboard engines, each with an output of 350 horsepower, the Ibiza reaches impressive cruising speeds of 32 knots and a maximum hull speed of 39 knots.

Its range of 280 kilometers allows for extended adventures on the water.

Designed for comfort, the boat has two well-appointed cabins and a bathroom, perfect for night excursions. The electric anchor adds convenience, while the joystick control provides effortless maneuverability.

With a seating capacity for four people, the Ibiza is ideal for entertaining friends and family. Discover the perfect combination of style and performance with the Austin Parker 44 Ibiza, a true gem for boating enthusiasts.

12V BOAT FOR THE US MARKET
