## Description

---

**\*\*FEELING 326** is a Philippe Harlé**\*\*** design ; it's a lively, well-balanced, and efficient sailboat, even in light winds. It's particularly continued to downwind sailing and performs respectably upwind. On deck, the side decks and foredeck offer generous space. The deck hardware is of good quality, with a proper tiller, mainsheet, and self-tailing wins. There's a swim platform, a saloon with panoramic views, two double cabins, an L-shaped galley, and it's equipped with a recent 27hp MIDIF engine (250 hours).

**\*\*Visible at PORT MARITIMA – MARTIGUES.\*\***
