## Description

---

Used Cantieri Mimì Libeccio 9.5 Cabin, a cabin-cruiser designed for those looking for a user-friendly boat, ideal for day trips, weekend getaways and short cruises with family or friends. The double cabin, convertible dinette and separate bathroom make the spaces practical even for longer stays on board, whilst the galley and double fridge simplify life at anchor. The generator increases autonomy, the bow thruster aids manoeuvring and the teak platform makes swimming and access to the sea more comfortable. The bimini and canopy protect the cockpit and extend the pleasure of use; GPS, VHF and compass offer simple control and smoother navigation.
