Description

Lagoon 47 - new 2027

Lagoon catamarans launches the new 2027 model. The Lagoon 47 revolutionizes the market thanks to its 3-cabin, 4-cabin but also 5-cabin layouts in addition to the forward crew cabin. A unique revolution for a 47-foot catamaran.

Bright interior spaces and an access door that connects the internal saloon with the forward cockpit, also equipped with sunbathing cushions and a table. A symbol of comfort and elegance.

A TERRACE OVERLOOKING THE SEA

Equipped with a large aft seat, a coffee table and sun cushions, the flybridge of the Lagoon 47 offers a completely new living space on board. Everywhere you look, you can see the ocean, which enhances the feeling of serenity and freedom aboard the new Lagoon 47.

CONTINUITY OF SPACES

From bow to stern, movements aboard the Lagoon 47 are smooth and unhindered. This ease of movement is made possible in particular by an absolute novelty: a door that directly connects the forward cockpit to the interior saloon.

With its 12 m² of floor space, the forward cockpit becomes a real living space, like an extra cabin on board.

THE FREEDOM TO CREATE YOUR OWN PERSONAL SPACE

A workspace, an additional cabin, a transformable space... The clever interior design of the new Lagoon 47 catamaran adapts to your sailing style and those travelling with you.

AT SEA, JUST LIKE AT HOME...

Choose the configuration that best suits your sailing style and desires. The Lagoon 47 offers a range of exclusive interior fittings, ensuring that each boat is unique and reflects your style.
