pershing Pershing 46'

PRICE UPON REQUEST

Description

This Pershing 46 must be seen to be appreciated. Boasting the lines and aggression of the Pershing exterior profile, it boasts spacious cabins on the lower deck as well as social areas throughout which is extremely rare for a boat under 55 feet in today's market. This is confirmed again by the interior layout which rarely boasts three cabins. The boat had just one owner since its first delivery in 2007 and it has always been looked after and serviced.
