88 000 £ All Tax Included

## Description

Boats come and go; a classic never dies.

When new, the Wellcraft brochure quoted: Sex and the single engine. This new Excalibur 27 wrote the book."

A unique opportunity to enjoy this true "last of the classic" American iconic towable muscle powerboat.

This legendary 80s Wellcraft Excalibur Scarab 28 comes with a cornucopia of podium awards including Cowes Torquay 86 Cowes Champagne Mumm winner & recently 1st in class in Cowes 2019.

Fantastic fun to drive with the stern lift pod designed by Larry Smith, speeds in excess of 75mph or happy and economical circa 40mph.

Fitted with a new 496 Mercruiser engine and a Bravo X stern drive with Lenco racing trim tabs, and variable silencer pipes, with only 150 hours. New deep cycle leisure batteries ready for the season and new long range fuel tank.

Sits on an aluminium custom trailer with LED lights for easy launch & recovery, and 3 sling points for cramage.

Comes with an overall custom winter cover and a colour coded tonneau cover.

Number plate could be included V88 OAT - spaced differently looks like it says V8 BOAT.

A total restoration was completed in 2017 in excess of 150,000.

For more information or to view the boat in person, please contact us on the contact details below.
