Description

FiftyFive is a 16-meter luxury yacht that balances high performance and contemporary design. This model is known for its exceptional speed, reaching peaks of 45-46 knots thanks to powerful engines and surface transmissions. The exterior design featuring a hull with taut and modern lines gives a sporty and elegant aesthetic to the boat. Equipped with two MAN 800 engines, it uses surface transmissions with systems such as the "Lock System" to facilitate manoeuvres even for less experienced owners. The interior layout includes 3 cabins and 2 bathrooms, as well as a separate crew cabin to ensure more privacy. The outdoor cockpit is very large, designed to accommodate between 12 and 14 people, with options for both indoor and outdoor galley. Fifty Five is a boat to behold, like new!
