Relaxing or sporty sailing? With the new Maxima 680 Sport Lounge, you don't have to choose, you can have both. This exclusive model fits perfectly into Maxima Boats' successful range, combining the speed and performance of an outboard motorboat with the elegance and comfort of a classic tender.

The boat is characterized by an extremely intelligent and convivial layout. Like the higher models, it offers a comfortable direct passage from the cockpit to the large aft platform, making every movement on board smooth and safe. At the bow you will find a spacious circular lounge perfect for an aperitif with friends, while at the stern you can enjoy the sun on the large sundeck. Thanks to its robust deep-V hull, the Maxima 680 is ideal not only for inland waters, but also for safe outings along coastal waters.
