Description

Boat for sale with SURVEY ALREADY COMPLETED. The seller has had the boat surveyed in advance, and the survey report will be available for inspection during the viewing.

A pre-owned Enterprise Marine EM 46 Fly, ideal for those looking for a practical, comfortable flybridge yacht that's easy to live on whilst cruising with family or friends. The two cabins, two bathrooms and crew quarters offer well-organised spaces for longer stays and greater privacy on board. The 220V generator enhances autonomy, whilst air conditioning (hot/cold) and heating ensure a comfortable interior in all seasons. The bow and stern thrusters simplify manoeuvring, even in port, and the platform with electro-hydraulic gangway makes access to the water more convenient. A bimini top, cockpit cover and sun deck allow you to make the most of the outdoor spaces. Furuno and Raymarine electronic instrumentation, complete with autopilot and dual chartplotters with GPS antenna, ensures smoother and more intuitive navigation.

Volvo Penta 480hp in-line engine.

The data provided in this specification sheet is not to be considered binding.
