Description

SARNICO 55 MAXIM – TIMELESS ITALIAN ELEGANCE, COMPLETELY REFITTED
GOOD GENERAL CONDITION, X INFO ENEA 3927299703

There are boats that follow fashions and boats that become icons. The Sarnico 55 Maxim undoubtedly belongs to the second category. A sporty open with a timeless design, still capable of standing out in any port for its elegance, prestige and construction quality.

The proposed example is in extraordinary condition thanks to a major refit carried out between 2023 and 2024, which involved numerous aesthetic and technical aspects of the boat. A significant investment that allows the future owner to get on board and immediately enjoy the sea without having to face additional work or unexpected expenses.

The external teak and the cushions have been completely renovated in full respect of the original project, preserving the authenticity and charm that have made this model famous. The outdoor spaces thus return to express all the elegance typical of the Sarnico brand, offering a glance of absolute prestige.

The engine room, maintained in excellent condition, testifies to the careful and professional management of the boat. A fundamental element for those looking for reliability, safety and serenity while sailing.

The interiors have also been the subject of careful regeneration, with particular attention to the complete renovation of the ceilings. The rooms are now bright, welcoming and refined, with a perceived quality comparable to that of a yacht of a much more recent category.

Strengths:

- Recent total refit 2023/2024
