Description

RIZZARDI Q-ERRE 48 OPEN – THE CHARM OF THE GREAT ITALIAN OPEN
There are boats that follow trends and others that manage to keep their charm intact over time. The Rizzardi Q-Erre 48 Open undoubtedly belongs to this second category. A boat that represents one of the most successful expressions of Italian shipbuilding in the early 2000s, designed to offer performance, comfort and an elegance that still does not go unnoticed today.

With its 15.50 meters in length and the famous Rizzardi hull, this sports open continues to be appreciated by the most experienced owners for its excellent marine qualities, stability in navigation and the pleasure of conduct that few boats in the same category can convey.

The large cockpit and generous sundecks make every day at sea an experience of absolute relaxation, while the interiors surprise with the quality of the spaces and the livability on board. The comfortable cabins, the welcoming dinette and the intelligent distribution of the rooms allow you to experience the sea for long periods with family and friends.

This unit is in excellent general condition thanks to major updating and maintenance works that have preserved its value and prestige over time. A rare opportunity for those who want to buy a superior quality Italian open, avoiding the very high investments required by boats of the same size and newly built performance.

STRENGTHS

Carefully performed refit and maintenance
Rizzardi hull with excellent marine qualities
